NEW! Candela Nordlys is available in store!!

This machine is approved by FDA for skin rejuvenation, pigmentation remove and rosacea improvement.

Candela Nordlys **IPL** and **laser**(Frax and Nd-Yag) can be used to treat many different skin problems, including:

- **Pigment spots/Age spots/Sunspots**
- **Vascular Lesions**
- **Acne scars/red scars**
- **Acne**
- **Rosacea and redness**
- **Stretchmarks**
- **Spider nevus**
- **Leg Veins**
- **Fine lines and wrinkles**
- **Poor skin texture and tone**

The Candela Aurora treatment does not break the skin, so the downtime is minimal. The number of treatments needed will depend on the skin condition and the area being treated, however, we recommend getting the treatment minimum 3 times every 4-6 weeks. Say hello to flawless skin and a renewed sense of confidence.

Don't miss out on our exclusive 20% OFF launch offer with a FREE Signature Facial! Limited space available – reserve yours now at our Newmarket store. Your radiant skin journey begins here.
